

Vice President of Agriculture

One Gro Investments

One Gro Investments is the fastest-growing total cannabis universe company in Oregon, with interests in production, cultivation, distribution, consumer products, and retail. We are in search of a Vice President of Agriculture.

Our VP of Agriculture is responsible for the management of our general managers who oversee daily operations of our commercial farming operations for our network of farms in Oregon. A successful candidate will have a focus on the business of our farm, managing the general managers of each farm and our agronomists. Common duties include working with senior management to plan crops to maximize profit and minimize loss, creating budgets, hiring and overseeing subordinates, supervising all farm maintenance, representing the facility in sales transactions and maintaining business records.

Our candidate will divide their time between working in an office and supervising outdoor activities and often work long hours during the planting and cultivation seasons. Depending on the setting, some physical work may be required.

The ideal candidate will preferably have 5+ years farming, horticulture experience with a good understanding of the cannabis industry.
